

# Positive Emotions Pre Conference

## Society for Affective Science

### Call for proposal (Flash Talk)

**Deadline: March 1, 2015**

---

Present your latest research in a short format as part of the data blitz and it's being held right before lunch to stimulate conversations.

#### Submission guidelines

Email proposals to Dr. Keith Welker: [gruberpeplab@gmail.com](mailto:gruberpeplab@gmail.com)

Include the following information:

- Title of submission
- Author(s) and primary affiliations
- Status of the first author (e.g., student, post doc, faculty)
- Number of studies and sample sizes
- 150-word abstract
- Contact name
- Contact email

#### Selection criteria

Conference organizers will rate data blitz abstracts along the following dimensions:

- a) whether data collection is complete
- b) whether the project is relevant to positive emotions
- c) whether the project is of general interest, and
- d) whether the project offers new and exciting insights (either through new methods or new questions).
- e) the quality of the research methods and results

Authors will be informed on whether their proposal is accepted.

We look forward to receiving your submission!
